Education**Aksum University | Aksum Tigray Ethiopia**

Computer Science , Bachelor of Science (BSC) Jan.2023 - Present

Currently pursuing a Bachelor of Science in Computer Science as part of the graduating class of 2027, I have developed a strong foundation in both software engineering and hardware-level computing. My academic portfolio includes the successful development of an Advanced Desktop-Based Inventory Management lisad coursework in AVR A-Time and Embedded Systems, gaining hands-o-rendering using GLUT and OpenGL. I also serve as the President of a volunteering club, where I lead community service initiatives and manage organizational tasks for the student body.
